

Plus E

GUARANTEED ANALYSIS

5-0-0

Total Nitrogen (N) 5%
5% Urea Nitrogen

DERIVED FROM: Urea. Additional ingredients include natural buffers, natural bio-stimulants, natural enzymes, and selective microbial colonies.

PHYSICAL PROPERTIES: Liquid form, 6.6 pH, 8.68 pounds per gallon at 68° F.

PRECAUTIONARY STATEMENTS

CAUTION: Keep out of reach of children. Harmful if swallowed.

STORAGE AND DISPOSAL: Keep product in original container. Do not transfer into food or drink containers. Triple rinse when empty for disposal. Always dispose of container in accordance with local, state, and/or federal regulations.

CONDITIONS OF SALE: The information contained herein is believed to be accurate and reliable. Buyer and user acknowledge and assume all liability resulting from use of this material. Follow directions carefully. Timing, rate, and method of application, weather and crop conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendations are beyond the control of Seller. Buyer assumes all risks of use, storage and handling of this material not in accordance with directions given herewith. Information received by the Washington State Department of Agriculture regarding the components in this product is available on the internet at <http://agr.wa.gov>.

COMPATIBILITY: May be mixed with water to improve application coverage. Can be mixed with most fertilizers. Use clean spray equipment. Agitate as needed. Perform a jar test before mixing large quantities if compatibility is in question.

DESCRIPTION

Plus E is a probiotic blend of organic acids, enzyme packages and micro organisms formulated to stimulate fungal activity in the soil to complete the process of biodegradation.

BENEFITS OF USE

- Stimulates the biodegradation of organic matter
- Facilitates the rapid release of organic energy from previous microbial activity
- Remediate the soil and optimizes plant root development and growth, when used with MAP Bio Base

APPLICATION RECOMMENDATIONS

Shake Well Before Using

..... Apply 8 to 12 ounces per acre
Best used with 8 to 32 ounces of MAP Bio Base per acre

Application rates and timing may vary according to individual crop needs, prior fertilizer applications, and soil type and conditions. Applications should be made according to soil and/or foliar analysis and in cooperation with a MAP representative or other agricultural specialist.
